## key ingredients

### Organic Herbal Blend

Aloe Vera is a gentle but powerful skin care ingredient that is perfect for all skin types. Calendula extract has been used in body care for years due to its gentle, calming effects. Chamomile also has soothing properties when used on the skin and hair. White Tea extract has been used in traditional Chinese medicine for its ability to balance and soothe the body. When blended together, the synergy of these extracts creates an excellent addition to our skin and hair products.

### Panthenol

Commonly known as Vitamin B5. This ultra-hydrating ingredient has been shown to support skin and hair.

### Tocopherol

Tocopherol is the organic chemical compound of Vitamin E and is an antioxidant.

## faq's

### How are these Soaps formulated to be 3-in-1?

For our 3-in-1 Soap, we carefully blend mild surfactants (cleansers) so they will work well on the entire body. These Soaps are formulated to be gentle enough to clean your hair, effective enough to clean your body, and sudsy enough for a super bubbly bath.

### Are Everyone Soaps antibacterial?

We believe that the act of properly washing will reduce harmful bacteria, so our Soaps are not antibacterial.

### Is Everyone's Kids Soap safe for babies?

We recommend using this soap on children 3 years old and older. The Everyone Baby collection is perfect for the littlest ones.
