

Deep Immune®

Your best bet to stop colds and flu before they start! The Deep Immune line helps to build and maintain a healthy immune system, effectively creating your very own invisible force field to keep out the cold and flu bugs.

Sinafect®

Relieves upper respiratory tract infections like acute and chronic sinusitis, as well as symptoms related to excess mucus and inflammation.

Oréganum Plus®

These powerful oregano products treat and prevent sinus congestion, colds and flu, and other lung and bronchial issues.

Stop It Cold® Throat Spray

Helps to relieve dry, sore, irritated throats accompanying colds, flu, tonsillitis or other infections.

EchinAce® & EchinaSera® for Kids

Our uniquely formulated antiviral and antibacterial combination of Echinacea species for colds and flu; a specialized formula for kids and one for adults, too.

Stop It Cold® Chest Rub

For soothing and calming respiratory pathways.

EchinaSeal®

For the relief of sore throats and/or mouth, throat and gastrointestinal (i.e. 'stomach flu') infections.

Pau d'Arco

Relieves sore throats and viral respiratory infections.

Stop It Cold® Cough Syrup

Great tasting for kids and adults, our cough syrups help to relieve cold and flu symptoms like coughs and sore throats.

RespiraCleanse®

Great remedy for all types of coughs, both chronic & acute (expectorant and antitussive).

Virafect

Special formula for upper respiratory viral infections, i.e. colds and flu, helping relieve their symptoms (sore throat, fever, etc.) and shorten their duration.

Respirafect®

Alleviates lung and bronchial infections and helps to loosen mucus and chest congestion.

30 Years Healthy

More Leaf, Less Grief

Don't let cold and flu season hold you back
