- Skin-loving plant extracts of Carrot Root, Quinoa Protein, and Kombucha help tone and brighten
- Mango Seed and Cocoa Butter leave your face smooth, soft, and nourished

## key ingredients

### Hyaluronic acid

Sodium Hyaluronate is the sodium salt of Hyaluronic Acid, which is found naturally in the fluid around joints and in the skin. It helps to maintain structure and skin tone. It's abundant in young skin but declines as we age.

### Kombucha

Known as Saccharomyces/Xylinum/Black Tea Ferment, it is intended to produce a brightening effect. This ingredient improves skin smoothness and radiance.

### Papain

Derived from the Papaya fruit, these enzymes help dissolve the extracellular matrix that holds dead skin cells together. This enzyme has the ability to digest protein. These properties make Papain a great exfoliator.

## faqs

### Are your Face products hypoallergenic?

Yes! The Everyone Face line is formulated with gentle surfactants (cleansers), easily absorbed emollients (moisturizers), pure essential oils and mild plant extracts that are great for the skin.

### Can I use these products if I have acne?

Clean, healthy skin is an important part of reducing acne.

A daily routine with these products can clean your skin. Properly cleaning your skin reduces sebum, which acne-causing bacteria uses to grow and multiply. The Everyone Face Care line does not clog pores or irritate skin.

### What type of skin is the Everyone Face line made for?

The best thing about Everyone Face is that it works on all skin types. All skin types can benefit from cleaning, moisturizing, and soothing which might require different combinations and amounts of certain products. For example:

- For dry skin: Occasionally use the Exfoliator as a cleanser, rubbing gently to remove dry skin. Rinse thoroughly. Follow generously with Moisturizer.
- For oily skin: Using the Cleanser, work product into a nice lather and massage face gently. Rinse thoroughly and finish with a few sprays of Toner and a pea sized amount of Moisturizer.
