## 100% CANADIAN

Filsinger's Organic Apple Cider Vinegar is made from 100% Canadian grown organic apples. Our vinegar contains no additives or preservatives and the finished product is raw, unfiltered, unpasteurized and contains a mother of vinegar.

## A LIFELONG TRADITION

At Filsinger's, we do all of our own processing on the farm, using apples that we grow in our orchards. This ensures only the highest quality fruit is used in our products. We are committed to reducing our carbon footprint through our family farming practice.

Founded in 1953, Filsinger's has been committed to organic farming since our inception. Located in Ayrton, Ontario, we were one of the first 6 organic farms in all of Canada, and we continue that tradition today.

Our founder, Alvin Filsinger was awarded the Lifetime Organic Hero Award by the Canadian Organic Growers for his lifelong dedication and work in the organic industry.
