

ORGANIC APPLE SAUCE

NO ADDITIVES OR PRESERVATIVES • PACKAGED IN A GLASS JAR

Here at Filsinger's, our Organic Apple Sauce is made from a special blend of apples the old-fashioned way. Our farm grown apples are hand sorted, washed and then cooked with the skins on, releasing anthocyanins and imparting unique flavours, colours, and nutrients. With no additives, preservatives or sugar added, Filsinger's is dedicated to offering your family this high quality, delicious Canadian Organic treat!

FILSINGER'S ORGANIC FOODS

Growing organically since 1953, we were one of the first 6 organic farms in Canada. Our founder, Alvin Filsinger was awarded the Lifetime Organic Hero Award by the Canadian Organic Growers for his lifelong dedication and work in the organic industry.

Located in Ayton, Ontario, we continue to grow apples without the use of chemical herbicides or pesticides.

We also do all of our own processing on the farm. This ensures only the highest quality fruit is used in our products.

At Filsinger's Organic Foods, we are dedicated to making high quality, 100% Canadian, certified organic apple products.
