method

14oz specialty spray cleaners

special surfaces require special treatment

these non-toxic spray cleaners are specially formulated to gently clean stone, wood and stainless steel surfaces, leaving them streak-free and spotlessly clean. plus, the recyclable bottles are made from 100% recycled plastic (PCR). that's good karma.

granite polish

- polishes granite, marble, quartz + stone to their natural shine
- safe on sealed stone leaves a protective layer
- helps resist fingerprints

wood polish

- polishes finished wood surfaces, wood furniture and cabinets
- silicone free, contains plant-based oils
- no streaking
- leaves a protective layer

people-friendly • pet-friendly • planet-friendly

stainless steel cleaner + polish

- surface safe formula cleans and polishes without streaking
- removes dirt, residue + grease
- helps resist fingerprints and smudges
- leaves a protective layer
