

laundry boosts

take your laundry to the next level

give your laundry an extra lift with performance boosters that are tailor-made to tackle your load. each fragrance-free formula is packed with plant and mineral-based ingredients that help your favorite detergent target specific troublemakers. these biodegradable beauties are designed to whiten whites, soften sheets, fight fuzzing and stamp out stinky sportswear. just toss in a capful and take laundry day to a whole new level.

features + benefits:

- made with plant and mineral-based stain lifting or smoothing power
- designed to allow people to customize their laundry regimen
- pourable powder for an in-wash performance boost
- fragrance-free formula so they can be used with any fragrance detergent
- recyclable packaging made with recycled plastic (PCR)

four powerful formulas:

- extend: helps prevent fading, pilling + fuzzing
- sport: combats sweat, odors + stains on activewear
- sleep: for clean, soft sheets + linens
- whites: for dazzling whites + brilliant brights
