

# Orange Naturals Product Guide

Go ahead. Rethink your medicine cabinet.

Orange Naturals offers a full line of professionally formulated, natural medicinals to health-conscious families at affordable prices.

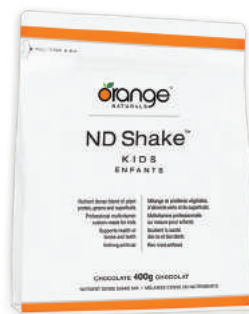

We developed Orange Naturals because we believe natural medicine should be **safe**, **effective** and **affordable** for families.

## Tinctures

Ancient wisdom,  
modern practice

Therapeutic doses of  
certified organic or  
wildcrafted herbs in a pure,  
easily metabolized format

## ND Shake™

Not for every body,  
just your body

Canada's first line of nutrient-  
dense shakes to meet the  
unique requirements of men,  
women, teens and children

## Homeopathics

Gentle can be  
strong

Highly specialized remedies,  
formulated to trigger the  
body's natural system of  
healing

## Supplements

Superior ingredients  
and formulations

Bringing together essential  
components of professional-  
grade naturopathics - vitamins,  
minerals and specialty formulations
