Organic Cascade Mint

— HERBAL TEA —

The finest organic peppermint
and spearmint from the
beautiful Pacific Northwest
of the United States.

100% ORGANIC

— INGREDIENTS —

Sourced from the world's finest growing regions, we carefully select our organic teas, herbs, and spices to bring you the most flavourful, all-natural organic tea blends. Yet we believe in more than just creating great teas. We partner with farmers and suppliers who share our priorities of quality, environmental stewardship, and progressive human rights. Together, we strive to create a more sustainable future for our local and global communities. **Tea is in our soul, and we exist to share that dedication in every cup.**

Eco-friendly packaging

Our tea bags are made from unbleached wood fiber pulp, crimp-sealed, and free from glue and thermoplastics. Our recyclable boxes are packaged without the use of shrink wrap and printed using environmentally-friendly vegetable-based inks.
