

REGAL KITCHEN FOODS LTD.

Canadian consumers are looking to satisfy the growing demand for the convenience of ready-to-serve meals that are delicious, wholesome and affordable.

Regal Kitchen Foods is a global food producer, now launching Grain Hut into Canada with a range of 19 SKUs with flavors and textures that will help bring more to meals, both for savory main courses and convenient side dishes, and available in 3 convenient packaging formats, ideal for home, office, school and travel – and perfect as a delicious and satisfying breakfast, lunch, dinner and snack for the entire family.

Grain Hut products are produced without compromise to taste, texture, visual appeal, nutrition, value and pure eating enjoyment – and with a focus on the demand for convenient quick-cooking microwavable meals. Products are all-natural, high-fiber, low-calorie, gluten-free, low sodium, non-GMO and vegetarian with no trans-fat or cholesterol.

PRODUCTS

Deliciously seasoned and staple grain dishes, great as a side-dish or as part of your entrée, and ready to serve in just 90 seconds – for busy lifestyles.
