

Fresh Food. Family Focused.™

Our Story

Inspired at the age of 16, I started Cedar Valley Selections as a way to share my Mom's signature recipes. We began by bottling our family's Fattoush Dressing - the first flavour of its kind in Canada - and have since added an array of unique flavours.

The newest product to join our family is our line of all-natural Pita Chips! Made with Organic Virgin Coconut Oil and authentic fresh baked, two-layer pita, these deceptively delicious chips add a flavourful crunch to salads, complement your favourite dips, or can simply be eaten by the handful!

Today, my Mom and I continue to work to inspire wholesome living by creating great tasting products that make eating healthy a little easier and a lot more delicious.
