CHOCXO[®]
Simply Better Chocolate

**Simple Ingredients, High in Cacao,
Low in Sugar.**

At Chocxo, we make great chocolate by using simple ingredients. Great chocolate should never come with guilt, and healthier chocolate should never come with ingredients you cannot pronounce. That's why our skilled chocolatiers only use fine flavor cocoa beans that are naturally nutty, fruity, and less bitter, which means no need to mask its natural flavor with additional sugar. Only a small amount of organic sugar is needed to underscore our chocolate's already delightful taste, without any substitute sweeteners or "natural flavor enhancers".

So go ahead, treat yourself, better.
